H.B.O.C. TROPHY AND CERTIFICATE WINNERS

Preface

There are five documents making up the club history.

1. Club Officers, Cups & Trophies
This is effectively the clubs "Trophy" boards. Lists are kept of the Club Officers, Life Members and Cup / Trophy winners for each year.
Club Age Grade champions and Junior Certificates are not listed. You will need to go through the old Compass Points or Minutes of the AGM's .
2. General Timeline
Lists the club officers and committee, subscriptions and map fees, maps, equipment and highlights for each year.
(Note that the year in which a map was made may be wrong by one year.)
3. Major Events
Lists the "Major" events the club has undertaken. This includes any NZOF badge events, Course Setting Competitions, Mountain Marathons etc., plus any "special" events run by HBOC (eg) Macpac Kaweka Challenge, Smedley Long O.
4. Mapping
Lists all the maps made by the club.
5. Results
Lists all the HBOC event results, not including "major" or "badge" events.

The first attempt to record the clubs history was by Colin Tait in the mid 1980's.

The four documents making up this club history were first compiled in 1999 from the following sources...

- Compass Points. There is a copy of every Compass Points magazine in the club archives.
- HBOC Minutes. The minutes for most meetings and AGM's are in the club archives. Minutes for 1977 to 1981 are incomplete. Minutes for 1982 to November 1984 are missing.
- Presidents and Treasurers reports to the AGM's held in the minutes and also separately.
- Programmes and Results for major events. The archives are missing the programmes and results booklets for most events prior to 1988.
- Colin Tait's notes on the years from 1979 to 1985.
- Members memories.

H.B.O.C. TROPHY AND CERTIFICATE WINNERS

Children's Proficiency Certificates

Awarded to children who complete three courses by themselves during the year.

Merit Certificates

Awarded to members at the discretion of the committee to members who have had meritorious performances, but did not win the cup/s.

Club Age Grade Champions Certificates

Awarded to the winners of the respective grades run at the Club Championships. The grades normally used are the standard NZOF Badge event grades:

Women: W12, W13, W21, W35, W40, W45, W55
Men: M12, M13, M21, M35, M40, M45, M50, M55, M60

For 1996 and beyond, the grades are the same as the HBOC OY Series. (See below). For 1998 and beyond, the club championship is competed for by age grades, but the OY Series is competed by course colour, age grades do not apply. The club championship is not part of the OY Series.

Club Orienteer of the Year Series Age Grade Winners Certificates

Awarded to the winners of the Orienteer of the Year series. The grades normally used are decided by the committee:

Women: W13-16, W17-39A, W17-39B, W40+
Men: M13-16, M17-39A, M17-39B, M40+

For 1998 and beyond the OY Series is competed for on course colour and the age grades do not apply.

For 2009 and beyond the OY Series events were changed from all being standard lengths to a variety of events (ie) Long, Middle, Sprint and Score events.

Club Orienteer of the Year Handicap Series Age Grade Winners Certificates

Awarded to the winners of the Orienteer of the Year Handicap series, run in conjunction with the Orienteer of the Year series.

This was a trial scheme for 1994 and was not continued. The grades were the same as the standard O.Y. series.

Club Short O. Age Grade Winners Certificates

Certificates are awarded to the winners of the Short O. Series. The grades used are the same as the standard O.Y. series.

The Short O. series was started in 1993 but reduced to a single event in 1996 due to the workload required to run Short O. events.

Vincent Cup

Awarded to the "Most improved Junior orienteer" as decided by the committee.
Donated by the Vincent family in 2005. (Originally for "Most improved orienteer" but changed in 2009 to Junior orienteer as the Eames cup was introduced for Senior orienteers.)

Note: The award lists in Compass Points for 2009 and 2010 have created some confusion as to which cup is for Seniors and which is for Juniors. We assume the awards list for 2009 has the cups in the wrong order.

Note: The award lists in Compass Points for 2009 and 2010 have created some confusion as to which cup is for seniors and which is for Juniors. We assume the awards list for 2009 has the cups in the wrong order.

H.B.O.C. TROPHY AND CERTIFICATE WINNERS

Clipper Challenge Trophy

Awarded for the "Most points scored at badge events".

Donated by Colin & Bev Tait in 1984 to encourage members to travel to badge events. Points are determined by the badge standard achieved at each event. Only applies to badge events in NZ, but does not include badge events organised by HBOC.

Colin didn't have a name for the trophy until he called in on Ted Sapsford at his bookshop asking for ideas. Ted noticed a travel book with an old clipper sailing ship on the cover on the shelf behind Colin. What better name to conjure up thoughts of travelling than "Clipper". It was Colin who pointed out the association to the orienteering "clipper" to Ted.

H.B.O.C. TROPHY AND CERTIFICATE WINNERS

Special Event Trophies

The following trophies are awarded at the time of the event.

Wooden Spoons

The wooden spoons were made by Colin Tait, There were a set of two. Each wooden spoon was mounted on a square piece of particle board and the whole caboodle was nicely varnished. They came into being at the time when Orienteering Mountain Marathons were being held and the club had strong entries competing. They were initially presented on site at the event and at its conclusion. As competitors ran in teams of two that was the reason there were two spoons. They were not designed to be given to the last HBOC team but to the one that made the biggest stuff (confessed to) up.

The first event may have been the Tararua MM where Colin and Ted Sapsford were presented with them for doing a massive 180° that lost them the lead on their course. The spoons were brought back at each event and the most senior (admin wise) member of the club present did the honours. Once the MM's died the spoons were reinstated for the Smedley Long O's and as competitors ran as individuals they were given to the two individuals who made the two biggest stuff ups. As these events were held close to the end of the year the presentation may have been given at the AGM, but were still an informal trophy. I am pretty certain that in 1995 I gave Peter Watson and Maurice Lloyd the honours. The following year was Peter's Rogaine at Smedley and I am not sure who got them there.

That was the last time I have any personal knowledge of them but to have retained the intent of the trophy's they should have been carried through the club and away Rogaines and in hindsight become an official stuff up award and been properly recorded as opposed to trusting competitors to have returned them in good faith. They should have been at the Tuki Tuki 3 hour event in May 2009.

Frank Smith Trophy

Presented by the Wellington Orienteering Association (WOA) to the club that gains the most points at the annual Frank Smith Trophy event.

Hawkes Bay became affiliated to WOA in 19???. (It may be unfair, but we are only recording how HBOC performed at the event.)

The winning club is determined by a formula which defies simple explanation. The formula is changed now and then in attempts to make it fair and easier to calculate. (See WOA Magazine over the years for the actual formula.)

H.B.O.C. TROPHY AND CERTIFICATE WINNERS

Taupo Inter Club Challenge

Awarded to the winning club in the HBOC / Taupo interclub challenge event.
Created by the club committee in 2001

The inaugural challenge was held on 20th August 2001. Due to the small size of the Taupo club they were allowed to bring in members of other clubs in the CDOA. A total of 36 runners competed for Taupo club and 35 for HBOC. HBOC chartered a bus and charged members \$10 each for the trip.

The winning club is determined by a formula which defies simple explanation. The formula is changed now and then in attempts to make it fair and easier to calculate. (See Compass Points over the years for the actual formula.)
