Subject: new order for HBOC shirts.

It would be good to get another order in for Club Shirts, for those that missed out last year. With Nationals coming up in HB in 2011 it would be good to get another order in by the end of Oct 2010.

The more orders we get the cheaper they become, anything from \$65 to \$75 each.

It would be great to see lots of the Green and White shirt at the event.
