NORTH ISLAND INTER-SCHOOL COMPETITION (SECONDARY SCHOOL)

Top School Competition

There are separate trophies for boys and girls.

Only 3 competitors in each age class will contribute to the school's points. That is, a maximum of 9 competitors (3 at each age) will be able to earn points for their school.

In the individual competition, the best three results at each age class, whether in the Championship or Standard event, will be counted. At least one of these results must be from the Championship level (ie. A school entering all its competitors in the Standard level will be able to count only two results).

In the relay, only the highest positioned team from any school in each age class will count. (Runners in composite teams do not count).

Points for this competition are as follows:

Individuals - Championship: 1st - 25 points, 2nd - 24, 3rd - 23, down to 25th - 1 point.

Individuals - Standard: 1st - 15 points, 2nd - 14, 3rd - 13, down to 15th - 1 point.

Relays (teams): 1st team - 60 points, 2nd - 54, 3rd - 48, down to 10th - 6 points.
